

MANUAL CHANGE TRANSMITTAL		NO. 19-6
TITLE: Department of Transportation <i>Construction Manual</i>	APPROVED BY:  Rachel Falsetti, Chief Division of Construction	DATE ISSUED: 07-01-2019
SUBJECT AREA <i>Construction Manual</i>	ISSUING UNIT Division of Construction	
SUPERSEDES All sections and compiled 2018 edition	DISTRIBUTION All Requested Manual Holders	

The purpose of a manual change transmittal is to announce updates and corrections to the Caltrans *Construction Manual*.

All sections have been remediated for improved accessibility and compiled into a complete and searchable document.

The documents are published on <https://dot.ca.gov/programs/construction/construction-manual> and are indicated by the date listed in the right-hand column on that page. All content changes in sections have been previously announced. This transmittal announces formatting changes so documents meet Americans with Disabilities Act standards and the compilation of all sections updated since the July 2017 release.
