NOTICE OF RESULTS FOR REQUEST FOR QUALIFICATIONS 04-3W910

Listed below, in alphabetical order, are the Proposers that have been shortlisted to participate in the Request for Proposals (RFP) process for Contract Number 04-3W910 to design and construct the District 4 Transportation Management System Upgrade Project through a design-build contract:

**Bear Electrical Solutions, Inc.
Myers – St. Francis Electric, a Joint Venture
Parsons Transportation Group Inc.**

The Statements of Qualifications (SOQs) were reviewed by an evaluation team that was selected for their specialized understanding of the work required. The SOQ evaluation phase resulted in the top ranked Proposers identified above. The firms listed above will receive the RFP for the project when it has been approved for release. We anticipate this will occur on September 1, 2023. Instructions and a revised procurement schedule will be provided with the RFP.

The Department appreciates the interest shown by all Proposers who submitted SOQs for consideration in this process.

Sincerely,

A handwritten signature in blue ink that reads 'Bojana Gutierrez'.
