

Bridge Design Details 8.11 January 2023

Median Alternatives

Note: Dimension "x" shall be determined by Engineer.

ALTERNATIVE 1

Note: For details not shown, see "ALTERNATIVE 1".

ALTERNATIVE 2

Note: For details not shown, see "ALTERNATIVE 1".

ALTERNATIVE 3

Figure 8.11.1 Median Alternatives

Notes:

1. Special consideration should be given to longitudinal and transverse joints in the deck before using Alternative 3, which is suitable primarily for medians with large areas.
2. Alternatives 2 and 3 are for medians supported completely by bridge deck.
