Mr. Vince Mammano
Division Administrator
Federal Highway Administration, California Division
650 Capitol Mall, Suite 4-100
Sacramento, CA 95814

Dear Mr. Mammano:

Under the provisions of Section 125, Title 23 of the United States Code, this is a Letter of Intent by the California Department of Transportation to request Emergency Relief (ER) funds to assist in the cost of repairing damages on Federal-aid highways in California caused by a storm event.

Beginning on December 27th, 2022 winter storms bringing damaging winds, substantial precipitation, widespread flooding, and debris flows impacted Alameda, Contra Costa, Calaveras, El Dorado, Placer, Sacramento, San Joaquin, Santa Cruz, Sonoma and Tuolumne counties. The precipitation, snowfall and flooding caused damage to and forced the closure of roads and highways in the impacted counties.

The preliminary damage estimate information is being gathered by the State and Local agencies affected. Additional information will be provided with the subsequent ER Application under Disaster CA23-1 Late December 2022 Storms.

The preliminary damage estimate information is being gathered by the State and Local agencies affected. Additional information will be provided with the subsequent ER Application under Disaster CA23-1.

Under separate cover, the Office of Federal Resources will be submitting the ER Application, along with the Governor's Proclamation(s) and Damage Survey Summary Report, to provide the Division Administrator with a basis to make a finding that the disaster is eligible for ER funding.
