December 21, 2022

Mr. Vince Mammano
Division Administrator
Federal Highway Administration, California Division
650 Capitol Mall, Suite 4-100
Sacramento, CA 95814

Dear Mr. Mammano:

Under the provisions of Section 125, Title 23 of the United States Code, this is a Letter of Intent by the California Department of Transportation to request Emergency Relief (ER) funds to assist in the cost of repairing damages on Federal-aid highways in California caused by multiple earthquakes and aftershocks.

Beginning on December 20, 2022, and continuing aftershocks in the following day, earthquakes caused significant damage to infrastructure in Humboldt County. The earthquakes damaged roads, bridges, and buildings, including schools, and resulted in multiple structural fires, and damaged gas and water lines.

The preliminary damage estimate information is being gathered by the affected State and Local agencies. Additional information will be provided with the subsequent ER Application under Disaster CA23-2.

Under separate cover, the Office of Federal Resources will be submitting the ER Application, along with the Governor's Proclamation(s) and Damage Survey Summary Report, to provide the Division Administrator with a basis to make a finding that the disaster is eligible for ER funding.

If you or your staff have any questions, please contact Dave Changizi, Division of Maintenance at (916) 651-6132, or myself at (916) 654-3043 or by e-mail at <fardad.falakfarsa@dot.ca.gov>.

Sincerely,

A handwritten signature in black ink, appearing to read "Fardad Falakfarsa".
