

**EXECUTIVE DEPARTMENT  
STATE OF CALIFORNIA**

**EXECUTIVE ORDER N-2-25**

**WHEREAS** on January 7, 2025, I proclaimed a State of Emergency to exist in Los Angeles and Ventura Counties due to the Palisades Fire and windstorm conditions; and

**WHEREAS** the Palisades Fire has burned over 15,000 acres and additional fires have ignited and spread rapidly in Los Angeles County as a result of those windstorm conditions, including the Eaton, Hurst, Lidia, and Woodley Fires; and

**WHEREAS** these Los Angeles County fires and windstorm conditions continue to threaten structures, homes, and critical infrastructure, with over 170,000 residents under evacuation orders in Los Angeles County; and

**WHEREAS** these Los Angeles County fires and windstorm conditions have resulted in poor air quality and significant impacts to schools, including school closures and limited outdoor physical education; and

**WHEREAS** under the provisions of Government Code section 8571, I find that strict compliance with various statutes and regulations specified in this Order would prevent, hinder, or delay the mitigation of the effects of these Los Angeles County fires and windstorm conditions.

**NOW, THEREFORE, I, GAVIN NEWSOM**, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes, including the California Emergency Services Act, and in particular, Government Code section 8567, 8571, and 8627, do hereby issue the following Order to become effective immediately.

**IT IS HEREBY ORDERED THAT:**

Such records shall be replaced without charge.
3. The provisions of Vehicle Code sections 4602 and 5902, requiring the timely registration or transfer of title, are suspended with regard to any registration or transfer of title by any individual who is unable to comply with those requirements as a result of this emergency in Los Angeles County. 6. Individuals or entities who desire to conduct activities under the suspension of statutes, rules, regulations, and requirements specified in Paragraph 5 shall first request that the appropriate Agency Secretary, or the Secretary's designee, make a determination that the proposed activities are eligible to be conducted under the suspension. The Secretary of the California Environmental Protection Agency and the Secretary of the California Natural Resources Agency shall use sound discretion in applying this Order to ensure that the suspension serves the purpose of accelerating cleanup and recovery, while at the same time protecting public health and the environment. Each Agency shall maintain on its website a list of all suspensions approved under this Paragraph.
7. Any activities performed under the suspension of statutes, rules, regulations, and requirements specified in Paragraph 5 shall be in accordance with the State Environmental Protection Plan, or a comparable plan describing how such actions will balance expeditious fire recovery and environmental protection.
8. In order to ensure hospitals, clinics, and other health facilities remain open, the Director of the California Department of Public Health (CDPH) may waive any of the licensing requirements of chapters 1, 2, 8, and 8.5 of division 2 of the Health and Safety Code and accompanying regulations with respect to any hospital, clinic, other health facility, home health agency, or hospice agency identified in Health and Safety Code sections 1200, 1250, 1727, or 1746 that is impacted by this emergency. 9. In order to directly respond to the needs of impacted adult and senior care facilities, child care facilities, children's residential facilities, resource family homes, home care organizations, and other similar care facilities and care providers within the California Department of Social Services' (CDSS) jurisdiction, the Director of CDSS may waive any provisions of the Family Code, Health and Safety Code, or Welfare and

Institutions Code, and accompanying regulations or written directives, with respect to the use, licensing, certification, registration or approval of care providers, facilities or homes within CDSS jurisdiction set forth in the California Community Care Facilities Act (Health and Safety Code section 1500 et seq.), Child Care Provider Registration (Health and Safety Code section 1596.60 et seq.), the California Child Day Care Facilities Act (Health and Safety Code section 1596.70 et seq.), Residential Care Facilities for Persons With Chronic Life-Threatening Illness (Health and Safety Code section 1568.01 et seq.), the California Residential Care Facilities for the Elderly Act (Health and Safety Code section 1569 et seq.), Medical Foster Homes for Veterans (Health and Safety Code section 1568.21 et seq.), Continuing Care Contracts (Health and Safety Code section 1770 et seq.), the Home Care Services Consumer Protection Act (Health and Safety Code section 1796.10 et seq.), and the Resource Family Approval Program (Welfare and Institutions Code section 16519.5 et seq.).
