Calmentor Program

What is it?

- Mentor/protégé program

How does it work?

- We partner with ACEC to promote partnerships with the private consulting industry
- Encourages new business
- Grows existing business
- Promote small and emerging business contracting with the State of California
- Supports SBE, DBE and DVBE firms in the Central Region
- Voluntary participation through acceptance and screening of completed application from mentors and protégés.

The program is currently accepting new members. Please reach out to Lori Goodwin at Lori.Goodwin@nv5.com for more information or registration forms

Calmentor Program

Mission, Goals, and Objectives

Mission Statement

The Mission of the Calmentor Program is to increase the pool of small firms participating in transportation projects by providing them opportunities to network and partner with larger, established firms.

Goals and Objectives

- Establish a mentoring Program that pairs small firms with larger, established firms in the same field of expertise
- Enhance the growth potential of small firms
- Ensure that both small and large firms have equal opportunities to participate in transportation projects
- Establish a clear, accessible entry point for small firms that want to do business with Caltrans or other public agencies
- Develop business relationships that foster new opportunities for both large and small firms
- Encourage small firms to obtain certification from appropriate agencies
- Increase the pool of small business

Calmentor Program

Participants

Participants

- Participants of the Program are Mentors, Proteges, Sponsors, and/or Steering Committee members.
- Mentors are large, established firms who are typically prime consultants willing to commit time to help small firms achieve their growth potential.
- Proteges are small firms who are seeking A&E contracts with Caltrans or other public agencies.
- Caltrans Region District CSU is the program's primary sponsor whose aim is to facilitate the growth of small firms. Any public or local organization may join to co-sponsor the Program.
