Background:

The new webpage with California's National MUTCD 2023 review and adoption efforts is ready and available at <https://dot.ca.gov/programs/safety-programs/camutcd/nmutcd>.

The new webpage provides details and information on the National MUTCD 2023, FHWA's substantial conformance requirements, deadline for compliance, California's review and adoption process, timeline and schedules, workgroup member reviews, public review opportunities, CTCDC engagements, and CA MUTCD 2026 draft documents.

The new webpage also includes CA MUTCD 2026 Part 5 and Part 7(Draft) versions, which are now open to public for review and comment with August 2024 closing dates for submitting comments. Compare documents with markups are also made available for both parts to share the changes and for ease in reviewing and comparison. The webpage also includes a feature within the website for submitting comments directly from within the website, while also providing downloadable forms which can be submitted electronically or through the regular mail.
